

September 1st, 2017

Wednesday, September 6th is a full day Wednesday. Students will be dismissed at 3:20.

We have had an awesome first week of school! The students are enthusiastic and happy. Our Kindergarten students have been amazing and are quickly catching on to the routines and expectations around the building!

Reminder that arrival runs from 8:25-8:45 a.m. For safety reasons please do not drop students off earlier because a staff member isn't outside to let them in the building until 8:25. If you are a parent drop off in the morning 8:30 is a great time to come because buses will typically be unloaded and out of the driveway. Thanks so much!

Also a friendly reminder that when the bus red lights are flashing and the stop sign is out, you cannot pass the bus. The same rules that apply on the road apply here in the school drop off area.

Kindergarten and Grade one students should continue wearing their lanyards to and from school until Friday, Sept. 8th. This helps our school staff as well as the bus drivers immensely.

Each year we identify an area to improve upon in regards to our communication with families. This year we are really focusing on having a positive school climate and as such we have decided that we are going to reach out to families throughout the year and share your child's strengths. Each grade level will do this in a variety of ways.

On Wednesday we practiced a fire drill and today we practiced a lockdown drill. The drills went perfectly and the students did an excellent job during both drills.

Be sure that your child has returned the summer fun pack with the front of the log completely filled in. Volunteers will begin picking the packs up on Tuesday, September 5th so any packs that come in after that will not be included on our final count.

Attached please find the annual letter regarding lice from our school nurse.

If your child requires medication at school, a parent should bring the medication in asap. Please do not send the medication in with your son or daughter.

Have a wonderful holiday weekend!

Upcoming Dates

Labor Day-Monday, September 5th

PTO Meeting-Tuesday, September 12th

Ice Cream Social-Friday, September 8th

Open House-Thursday, September 14th

Fondly, Michelle
