

September 30th, 2017

Wednesday, October 4th is an early dismissal Wednesday. Students will be dismissed at 12:45.

Our 3rd Annual Tiger Tracks Jog-a-Thon is next Friday!! Please take a few moments this weekend to register your child online and make a pledge (<https://secure.eventsonline.us/reg/getmovincrew/parents>)! This is our largest PTO fundraiser and the money raised goes right back to our school community to enjoy a variety of activities, including cultural arts performances, field trips and much more! Thank you for your support!

Julie Rataczak will host a K-2 Math Morning for Parents on Oct 10 at 7:40. The focus will be on supporting Fact Fluency at home. Please come out and learn more about fact fluency, its importance and strategies to help your K-2 child at home. A 3-5 session will be held in the near future. See attached flyer.

Please join us on Thursday, October 19, 2017 for our second annual STEM Night. Drop in anytime between 6:30-8:00. We will have tables set up by grade level so students can showcase their current STEM modules. Families should feel free to visit all tables, and enjoy the hands-on STEM activities. Don't forget to grab an engineering bag for more STEM fun at home.

After School Club Registration will occur on October 2nd in the PRS lobby from 3:30-5:00 p.m. Registration paperwork will be available and parents can provide payment at the time of registration. Please contact Dionna Bellizzi if you have any questions. Her email address is dionnadanee@gmail.com All programs are offered on Early Dismissal Wednesdays starting on October 11th.

For the Fall session the PTO is offering...

- Grades K/1 Lego Club (max 16 students)
- Grades 2-5 Lego Club (max 16 students)
- Grades K-5 Art Club (max 20 students)
- Grades 3-5 Chess Club (max 16 students)

On October 4th we will have our first Bus Evacuation drill during arrival. For parents who ordinarily drop off, expect delays during the drill. You can certainly park and walk your child over so that they can get into school and start their day.

- You don't need to pay today, you can pay at the door.
- Please register regardless so we know how many to expect.
- Please register each walker so we have a count of how many walk for which school.
- The contest is based on number of walkers per school, not money raised.
- You can put the total amount for one walker, then just register the rest with \$0 as the fee.
