

Child Sexual Abuse and/or Sexual Assault Response

The South Windsor Board of Education has adopted a uniform child sexual abuse and/or sexual assault response policy and reporting procedure in connection with the implementation of its sexual assault and abuse prevention and awareness program.

I. Procedures for Reporting of Child Sexual Abuse and Sexual Assault

- A. Parents (or guardians) of students may file a written report of suspected child sexual abuse and/or sexual assault pertaining to any student enrolled in the South Windsor Public Schools. The written report of suspected child sexual abuse and/or sexual assault shall be reasonably specific as to the basis for the report, including the time and place of the suspected abuse and/or sexual assault, the number of incidents, the victim of the child sexual abuse and/or sexual assault, and the names of potential witnesses or others with pertinent information. Such written reports may be filed with any building or central office administrator. All reports shall be forwarded to the Principal for the school in which the student is enrolled. The Principal or designee shall cause such reports to be reviewed and actions taken consistent with this policy.
- B. Any adult affiliated with the school community may file a written report of suspected child sexual abuse and/or sexual assault pertaining to any student enrolled in the South Windsor Public Schools. The written report of suspected child sexual abuse and/or sexual assault shall be reasonably specific as to the basis for the report, including the time and place of the suspected abuse and/or sexual assault, the number of incidents, the victim of the child sexual abuse and/or sexual assault, and the names of potential witnesses or others with pertinent information. Such written reports may be filed with any building or central office administrator. All reports shall be forwarded to the Principal for the school in which the student is enrolled. The Principal or designee shall cause such reports to be reviewed and actions taken consistent with this policy.
- C. Students may make written or verbal reports of child sexual abuse and/or sexual assault to any school employee. All reports shall be forwarded to the Principal for the school in which the student is enrolled. The Principal or designee shall cause such reports to be reviewed and actions taken consistent with this policy.
- D. Upon receipt of any report of child sexual abuse and/or sexual assault from any source, a school employee shall report such suspicion to the appropriate authority in accordance with Board Policy #4017 pertaining to Reports of Suspected Abuse or Neglect of Children or Sexual Assault of Students by School Employees.

II. Procedures for Review of Reports of Child Sexual Abuse and/or Assault

- A. The Principal or designee for the school in which the student is enrolled shall be responsible for reviewing any reports of suspected child sexual abuse and/or sexual assault. In the event that the suspected child sexual abuse and/or sexual assault has not yet been reported to the appropriate authority in accordance with Board Policy #4017, pertaining to Reports of Suspected Abuse or Neglect of Children or Sexual Assault of Students by School Employees, the Principal or designee shall promptly cause such a report to be made.
- B. If/when such report alleges that an employee of the Board of Education or other individual under the control of the Board is the perpetrator of child sexual abuse and/or sexual assault, the Principal or designee shall immediately notify the Superintendent of Schools, who shall cause such report to be investigated in accordance with Board Policy #4017, pertaining to Reports of Suspected Abuse or Neglect of Children or Sexual Assault of Students by School Employees.

- C. The Principal or designee shall also promptly notify the parents or guardians of the student about whom a report of suspected child sexual abuse and/or sexual assault has been made. The notification requirement shall not apply if a parent or guardian is the individual suspected of perpetrating the child sexual abuse and/or sexual assault. The Principal or designee shall offer to meet with the parents or guardians of the student about whom a report of suspected child sexual abuse and/or sexual assault has been made, in order to discuss the district's review and support procedures, including but not limited to: 1) actions that child victims of sexual abuse and/or sexual assault and their families may take to obtain assistance, 2) intervention and counseling options for child victims of sexual abuse and/or assault, and 3) access to educational resources to enable child victims of sexual abuse and/or sexual assault to succeed in school. If either a Department of Children and Families ("DCF") investigation or a police investigation is pending pertaining to the report of suspected child sexual abuse and/or sexual assault, the Principal or designee shall obtain the permission of DCF and/or the police department conducting the investigation prior to informing the parents/guardians of the report.
- D. In the event that the report of suspected child sexual abuse and/or sexual assault alleges that another student enrolled in the South Windsor Public Schools is the perpetrator of the sexual abuse and/or sexual assault, the Principal or designee shall also take appropriate action to investigate or cause such a report to be investigated, and appropriate remedial actions taken, in accordance with Board Policy #4017, pertaining to Reports of Suspected Abuse or Neglect of Children or Sexual Assault of Students by School Employees, Board Policy #5011 pertaining to Bullying Prevention and Intervention, and Board Policy #5026, Sexual Discrimination and Sexual Harassment.
- E. The Principal or designee shall develop a student support plan for any who has been a victim of child sexual abuse and/or sexual assault. The report of suspected sexual abuse and/or assault need not be verified prior to the implementation of a support plan. The elements of the support plan shall be determined in the discretion of the Principal or designee, and shall be designed to support the student victim's ability to access the school environment.

III. Support Strategies

- A. Child sexual abuse and/or sexual assault can take many forms and can vary dramatically in the nature of the offense and the impact the behavior may have on the victim and other students. Accordingly, there is no one prescribed response to child sexual abuse and/or sexual assault.
- B. The following sets forth possible interventions and supports which may be utilized to support individual student victims of child sexual abuse and/or sexual assault:
 - 1. Referral to a school counselor, psychologist or other appropriate social or mental health service.
 - 2. Encouragement of the student victim to seek help when feeling overwhelmed or anxious in the school environment.
 - 3. Facilitated peer support groups.
 - 4. Designation of a specific adult in the school setting for the student victim to seek out for assistance.
 - 5. Periodic follow-up by the Principal and/or Title IX Coordinator with the victim of sexual abuse and assault.
- C. The following sets forth possible interventions and supports which may be utilized systemically as prevention and intervention strategies pertaining to child sexual abuse and/or sexual assault:
 - 1. School rules prohibiting sexual assault and establishing appropriate consequences for those who engage in such acts.
 - 2. School-wide training related to prevention and identification of, and response to, child sexual abuse and/or sexual assault.

3. Age-appropriate educational materials designed for children in grades kindergarten to twelve, inclusive, regarding child sexual abuse and sexual assault awareness and prevention that will include information pertaining to, and support for, disclosures of sexual abuse and sexual assault, including but not limited to:
 - (a) the skills to recognize child sexual abuse and sexual assault, boundary violations and unwanted forms of touching and contact, and the ways offenders groom or desensitize victims; and
 - (b) strategies to promote disclosure, reduce self-blame and mobilize bystanders.
4. Promotion of parent involvement in child sexual abuse and sexual assault prevention and awareness through individual or team participation in meetings, trainings and individual interventions.
5. Respectful and supportive responses to disclosures of child sexual abuse and/or sexual assault by students.
6. Use of peers to help ameliorate the plight of victims and include them in group activities.
7. Continuing awareness and involvement on the part of students, school employees and parents with regards to prevention and intervention strategies.
